

January 24, 2010

To Whom It May Concern:

One of the oldest and most exciting sports in America is the sport of rodeo! The Northwest Junior Rodeo Association (NJRA) is host to almost 200 youth members from the ages of 2 to 18 years old. Each year these young athletes compete at sanctioned rodeos throughout western Washington in an attempt to earn points and the opportunity to compete at the NJRA Finals in the fall. These young people continue to show their commitment to the sport of rodeo through their hard work and care of their animals all year long.

We are asking you to consider being a 2010 sponsor for the Northwest Junior Rodeo Association. It really does take the effort of an entire community to shape the future through the support of today's youth. We hope you will consider this an opportunity to invest in the future of your community.

In appreciation of your sponsorship or donation we will be proud to advertise your name at our Finals Rodeo, as well as in our year-end programs and publications.

The NJRA will continue to keep the sport of rodeo and the western way of life alive and well in the youth of western Washington. We will continue to build a reputation of promoting good, old fashioned morals and values in our young competitors. We would like to thank you for taking the time to consider supporting our efforts through sponsorship or a donation.

The NJRA is a non-profit organization. Our tax-ID number is 30-0268709. Your donation is tax deductible to the extent allowed by law. Thank you again for your consideration. Please make all checks payable to the NJRA. You will receive a donation receipt letter from our treasurer.

Sincerely,

NJRA Board of Directors
